IN THE WORKS

Saturday, December 14, 2013 at 11:00am in the Ballroom, 12th Floor

"In the Works" provides a lively forum where Artists, NPN/VAN Partners and Colleagues may present brief (3 minutes or less based on the number of participants) descriptions of new projects, at whatever stage of development. These projects should be new commissions or creative works that are currently being worked on. "In the Works" is not a pitch session; it is meant to provide opportunities for networking and collaboration. This year, "In the Works" is scheduled in one super session!

PLEASE NOTE: Only those who complete and submit the "In the Works" form to Registration by Saturday December 14 at 9am are invited to talk about projects! Participants will be randomly called on from submitted forms. The information on the form must reflect the information that is presented to the group during the session; use the fields as bullet points to help organize your presentation. Please be respectful of time limits, which will be enforced.
