Scheduled in two sessions during the Annual Meeting, “In the Works” provides a forum where Artists, NPN Partners and Colleagues may present brief (3 minutes or less) descriptions of NEW PROJECTS, at whatever stage of development. These projects should be new commissions or creative works that are currently being worked on.

Only those who complete this form and turn it in to Registration by Saturday November 11 at 2 P.M. are invited to talk about projects! Participants will be randomly called on from submitted forms. The information on the form must reflect the information that is presented to the group during either session. Plan to attend both sessions: you never know when you will be called! *Please be respectful of time limits, which will be enforced.*
